## **Quarter 2 Restaurant Project**

Due : December 15th

You should be able to check each box in the rubric above. Accuracy will allow for full credit. Here is another description of the steps you should follow. Please read carefully. ASK your project manager (teacher) if you have any questions.

Name your restaurant

Identify each student in the group

Choose 4 items from the menu:

Appetizer, Entree, Drink, Dessert

Draw pictures of your meal and/or restaurant

Find the subtotal

Find the tax

Find the tip

Calculate the total bill

Show/type the calculations made for each part

Copy and share the rubric in google classroom

Upload the google slide (if used as the presentation) or

Turn in the plates for the group stapled together at the top

Complete the reflection ([bit.ly](https://bit.ly)) posted in google classroom

Congratulations! You have completed the restaurant project.

We hope that you got to know a little more about:

your peers, financial literacy, and the importance of tipping
